About the Speakers

KEYNOTE SPEAKERS

Michael Farnsworth, MD, DFAPA, is a Board Certified General Adult and Forensic Psychiatrist with over 30 years of experience evaluating and managing complex mental health issues in both inpatient and outpatient settings. Dr. Farnsworth currently serves as the Medical Director of the Blue Earth County Mental Health Center in Mankato from his home in Nisswa, MN and maintains an active forensic practice.

Kathy Flaminio, LGSW, MSW, E-RYT-200, is the founder of 1000 Petals LLC. She is the creator of Move Mindfully® Workshops, products and curriculum. Kathy holds a master's degree in social work and twenty plus years of experience in regular and special education settings. She is adjunct faculty at Saint Mary's University and is a frequent presenter both locally and nationally.

Ross Aalgaard, DSW, MDiv, LICSW, LADC, started at Minnesota State University, Mankato in Fall 2013 as an Assistant Professor and in Fall 2014 continued as a tenure-track Assistant Professor. Before becoming a social worker, Ross had careers in pastoral ministry and customer service. In addition to his faculty position, he practices as a psychotherapist at Mankato Marriage & Family Therapy Center.

Tricia Aiken PsyD, ABPP, LP, received her doctorate degree in clinical psychology in 2003. Dr. Aiken has worked full-time for the State of Minnesota as a Forensic Psychologist since 2006. She conducts a variety of evaluations including competency to stand trial, not guilty by reason of insanity, psychosexual and various treatment reports, with adults and adolescents. In addition, Dr. Aiken owns and operates Minneapolis Forensic Psychological Services (www.mplsforensicpsych.com), where she conducts evaluations and offers professional trainings. Dr. Aiken is a Psychologist at Blue Earth County Mental Health Center.

David Beimers, PhD, LISW, received his doctorate degree in Social Welfare in 2009. He started at Minnesota State University, Mankato in 2013, where he is Associate Professor and Chair of the Department of Social Work.

Amanda Burg, LADC, is the owner and operator of Mankato Chemical Health, LLC, a chemical dependency outpatient treatment program in North Mankato. She provides evidence-based outpatient treatment with a holistic component focusing on the person's individual needs. Her goal is to expand services and treatment modalities that are not always offered.

Michael Goblisch, APRN, CNP, is a Board Certified Psychiatric Mental Health Nurse Practitioner practicing on an outpatient basis at Blue Earth County Mental Health Center and Avera in Marshall. Past experience includes working at the Competency Restoration Program.

Stephanie L. Hylla, L.Ac., is a Board-Certified Licensed Acupuncturist who owns and operates Mankato Acupuncture Clinic, LLC in Mankato. She uses Traditional Chinese Medicine to successfully treat a wide array of chronic and acute pain issues, infertility, emotional health, and neurological disorders. Stephanie is adjunct faculty at Northwestern Health Sciences University and Clinic Supervisor at Courage Kenny Rehabilitation Institute where she supervises three advanced acupuncture student interns each trimester.

Lindsay Murn, PhD, LP, received her Doctorate of Counseling Psychology in 2013. She has been a Licensed Psychologist and Assistant Professor at Minnesota State University, Mankato since 2017. Dr. Murn provides clinical supervision of individual and group therapy to graduate-level practicum trainees, and group supervision to the trainee cohort on a rotating basis.

Kimberly M. Sommers, Psy.D., LP, received her Doctorate of Clinical Psychology in 2014. She is a Licensed Psychologist and Assistant Professor at Minnesota State University, Mankato where she conducts personal individual counseling with students and provides group supervision to trainees on a rotating basis. Dr. Sommers conducts on-going scholarly research within the Counseling Center focused on student retention, counseling outcomes, and social justice issues.

Jeff Wersal has been a licensed police officer in the State of Minnesota for over 20 years. He is employed as a Lieutenant with the Blue Earth County Sheriff's Office and is currently assigned to the Minnesota River Valley Drug Task Force (MRVDTF) as the task force Commander. Commander Wersal has investigated numerous crimes relating to narcotics possession and sales, and unlawful possession of firearms. Commander Wersal has attended numerous trainings about narcotics possession and sales.
